LOOK TO THE EAST

Blessed

Most of my life I have been involved in some Masonic event whether it was an Eastern star family dinner or a shrine family Barbecue all the way to being involved as the master of the lodge. I was the Master Councilor for my DeMolay chapter in my teens and Chief of Staff for Osman Shrine and as I look back on all these things I have done in my Masonic life I always look back and see how I always looked up to someone.

When I was just a youth being dragged to events, I had all these other Mother and Father figures of whom some are still around today and I still remember with pride. As a DeMolay I had my chapter dad and advisors working with me to help me be a better person for my DeMolay brothers (and those girls in Jobs Daughters).

I now have all these brothers in lodge, Shrine, Scottish Rite and York Rite and I see how enriched my life has become with all these great people in my life and I truly see an enriched life. Although my dog keeps wondering where I keep disappearing too and why I don't stay home with him more often, it's the friendship and brotherhood that keeps me going and gets me out of my lazy boy.

I am glad I have been blessed with all of these people whom I have looked up to and been able to call friend and brother and I wish to thank everyone.

FROM THE WEST

Proud to Be a Member

Last December, I had the privilege of raising my cousin. The two of us had been talking about Masonry for some time, and in seeing my enthusiasm for not only the craft but for our Lodge, he decided to petition. Also, a few months previous a connection of mine asked me about my mason ring and we ended up having a nice discussion about Masonry in general and about our lodge specifically. He too has petitioned the lodge.

I mention this because in both cases they came to our lodge for dinner before our stated meeting and completed petitions. I had spoken very highly of our lodge to both of them so I had a lot at stake in delivering the type of lodge experience that I had promised. Needless to say, our brothers did not disappoint. It was great to see so many brothers go out of their way to speak with these candidates and make them feel welcome. Both men mentioned to me how good of a group our lodge seemed to be. It made me proud to be a member of our lodge.

In addition, as I sat in the West for my first stated meeting in January, I was impressed by the quality of person that our lodge has attracted. We have a vibrant membership that we should be very proud of. So many things struck me at the meeting: whether it was the way our newly elected Worshipful Master conducted his first meeting with confidence, energy, and humor, or how the trustees have continued to do such a good job with our investments, or how our secretary continues to excel in his many duties, or how involved all of the past masters and other brothers on the sidelines are during our meetings, I feel very fortunate that I chose to petition Ancient Landmark Lodge #5. Let's keep it up. The outlook is good.

FROM THE SOUTH

Spreading Masonry

By the time this article is read we will have increased our ranks by three newly raised Brothers. Making more Masons should be the primary goal of every Masonic Lodge. The question is how to accomplish this goal with out recruitment?

The examples we set as every day Masons is as good a place to start as any. Put to use our working tools, build a better man. One emulated by other men seeking virtue and morality. Lead by example and others will follow. Take pride in the fact that you were selected by the Fraternity to be their Brother.
