### FROM THE EAST

#### Greetings from the East

June is upon us and brings with it the promise of warm summer days. June is also the month that St. John's Day is celebrated. St. John's Day commemorates the birth of St. John the Baptist. It also happens to fall very close to the summer solstice and midsummer's day. All three are different manifestations of the same holiday, celebrating the longest day of the year and the turn towards darkness (the days are getting shorter).

Since St. John the Baptist is one of the patron saints of Masonry I thought I would do a little bit of research on St. John's Day. I came across a web-site called "Astrology on the web," and it had this to say,

*"According to McCoy's Masonic Dictionary, participation in the Festival of St. John at midsummer is a duty of every Mason. It functions as a connection between the past and the future. The two saints\* stand at either end of the spectrum marked by the solstices, the doorways of light and dark, of zeal and of learning. These two festivals bear the names of Christian saints, but in ages past they bore other names, yet standing to this day as markers for the solstices... St. John's Day, June 24, symbolically marks the summer solstice, when nature attains the zenith of light and life and joy. St. John's day in winter, December 27, symbolizes the turn of the sun's farthest journey – the attainment of wisdom, the rewards of a well-spent life, and love toward one's fellow man."*

While I was not able to verify the quote's accuracy in time to get this article done I liked what I read. It rings true, in that in the summer time I feel different than I do in the winter. I see the world in summer as more vibrant and alive. Every year summer comes around and you'd think over time the newness of summer would wear off, but it doesn't. As a matter of fact summer gets better every year.

This is the last newsletter before we go dark to enjoy our summer. There's a lot going on with Lodge this summer so check your emails for reminders. If you aren't on the email list, please contact Lodge Secretary, Bruce Sherman.

Labor Day weekend has us heading up to Canada. Here's

### FROM THE SOUTH

#### Walking Uprightly with God and Man

This will be history by the time this is published, but I would (selfishly) like to ask that you step back to 23 April, when we conferred the Second Degree on our new Brothers Towle, LeBlanc, Cloud, Azzazi and Koos. The reason for this selfish indulgence is two-fold; 1) It has always been my favorite Degree and 2) I had the honor of being the Master of the Lodge (for a day).

When being passed to this Degree, there was again, so much thrown at me. I was in the dark much of the time, it IS a long Degree with the lectures thrown in... I heard a lot, but how much could I retain? As most Brothers have experienced I am sure, when you work on the prove-up, that is when the whole Degree starts to gel. As I prepared for the work of the Master, I was taken back to a particularly enlightening time in my life – a trip to the Black Hills of South Dakota.

During the month of my prove-up, Claire and I took our son to a B&B near Hill City, to celebrate his graduation from National Guard basic training. During our 4-day stay there, I practiced my prove-up while walking among the stately pines at the Coyote Blues B&B. As I got to the lines about walking "uprightly with God and man", being with the forest suddenly took on a whole new meaning AND I began to understand how important Masonry would be to me.

I have to say that being the Master for that evening was quite a rush. Not for the fact that I was running the show – truth be known, our Marshal Todd Henderson deserves most of THAT credit – but because I was truly immersed in all aspects of the Degree. And to know that I "passed" five splendid Brothers to the Second Degree was a joy that only the Master can truly feel.

Being brought back to the Black Hills with the study and recitation of the obligation was as gratifying as being there.

See you in Lodge, Brothers.

Junior Warden

## **AL5 Scholarship Awards for 2009**

Brothers, as I sure you know Ancient Landmark Lodge No. 5 supports an annual scholarship program. We provide \$10,000.00 in scholarship funds to be distributed among the scholarship applicants that meet our qualifications. In addition to this we also apply for and receive the Minnesota Masonic Charities matching funds of \$1500.00 per lodge per year. This year we granted scholarship to 9 applicants resulting in an award from the Lodge of \$1,111.00 and from Masonic Charities of \$166.00 making a total award of \$1,277.00 for each of our applicants. Where this is certainly not going to cover all their expenses it will go a long way towards their continuing education which is the goal of our scholarship program. As Brothers of Ancient Landmark Lodge No. 5 we should all feel proud that we have chosen this as one of our philanthropies.

### **Please join me in congratulating our 2009 scholarship recipients;**

### Crusader's Chapter DeMolay

Brothers, I am writing for our possible future. As most of you know Bruce Sherman and I am both Sr. DeMolay. This is an organization for boys between the ages of 12 and 21. It was formed by Brother Frank S. Land in 1919 in Kansas City, Kansas. He saw a need for direction and structure in boys that were just hanging around the Lodge hall. Brother Land with these 12 boys designed an organization that the boys would run with the help of the advisors. Dad Land, as the boys came to call him, saw the need for structure that the boys could direct themselves under the supervision of the Chapter Advisors. We are now trying to carry on this tradition today by supporting a Chapter started in November 2007 with the help of the Brothers of Ancient Landmark Lodge No. 5. If you know of any boys that could use this structure then please bring them to the lodge hall on the second or fourth Friday of the month. We will be attending a statewide Conclave at the end of July. There, our boys will be with other DeMolay Brothers from across the state.
